ATTENDENCE: Since academic success is so dependent on student attendance, **ten absences per semester result in the student meeting with the Board of Education. After two tardies, a detention will be assigned.**

GRADING SCALE: Grades are based on a point system. The grading scale is as follows:

A+ 100-99%	C+ 81-79

B- 83-82	D- 63-62

GRADE WEIGHTS:

Tests - 70%
Assignments - 30%

ASSIGNMENTS: Assignments are due at the **beginning** of class.

-Those not turned in on time will receive zero credit. One zero may be dropped at quarter's end.

-All assignments must be completed and turned in, or the student will receive a failing grade for that grading period.

-If a student is absent, it is the **student's** responsibility to ask the teacher for any missed assignments.

-An assignment due, or given, on a day that the student has an unexcused absence will receive a grade of zero.

-Tests should be made up as soon as possible following an absence.

EXTRA CREDIT: Extra credit may occasionally be given as part of a test. These extra credit points will be the only extra credit opportunities offered during the course.
